Common questions — honest answers

"I have no experience"	The course starts from zero; lessons are very simple.
"I have no laptop"	Everything is done on the phone.
"Will I surely earn?"	Nobody can promise that. The course teaches the skills, a rate card (₹500–2,000 per video) and how to find clients.
"Can I pay in parts?"	A loan option is available — our counsellor explains it.
"I am busy"	2 evening live classes a week; the rest is recorded.
